[12-bar harp intro]

Checking on my baby, to see what she's putting down
Checking on my baby, to see what she's putting down
She been gone so long, trying to drive her daddy wild

You know, she wouldn't write, she won't call me on the phone
You know, she wouldn't write, she won't call me on the phone
But I'm gonna get slick, get myself another chick

[24-bar harp solo]

Checking on my baby, to see what she's putting down
Checking on my baby, to see what she's putting down
She been gone so long, trying to drive her daddy wild

My baby wouldn't write, she won't call me on the phone
My baby wouldn't write, she won't call me on the phone
But I'm gonna get slick, get myself another chick

I'm looking for my woman, to see what she's putting down
Checking on my baby, to see what she's putting down
She been gone so long, trying to drive her daddy wild
