

# Little By Little

*Junior Wells*

**[short guitar intro (from Damn Right)]**

You stay out all night till the break of day,  
you stop up your ears to everything I say  
Little by little, I'm losing you, I can see,  
bit by bit, your love is drifting away from me

What you doing, baby, you know it ain't right  
I wonder what you doing that it takes all night  
Little by little, I'm losing you, I can see  
Bit by bit, your love is drifting away from me

Ooh, baby that's the way I feel [x3]

**[12 bar guitar solo]**

You look so disgusted when I try to kiss you  
I guess I don't thrill you like I used to do  
Little by little, I'm losing you, I can see  
Bit by bit, your love is drifting away from me

I tried to tail you last night sitting in my car,  
but I was scared that I would see what I was looking for  
Little by little, I'm losing you, I can see  
Bit by bit, your love is drifting away from me

Ooh, baby that's the way I feel [x3]

**[24 bar piano solo]**

Bit by bit your love  
Bit by but your love  
Bit by bit your love is drifting away from me
