

Magic Bus Love

Magic Bus by Pete Townshend, Wo Do You Love by Ellas McDaniel

[Guitar intro, with tamborine rhythm]

Every day I get in the queue
Get on the bus that takes me to you
Gonna spend sixpence every day
just to ride to me baby
I'm so nervous I just sit and smile
Your house is only another mile

[add bass to rhythm, tamborine continues]

Thank you driver for getting me here *(Too much, that magic bus)*
You'll be an inspector never fear *(Too much, that magic bus)*
I don't wanna cause no fuss *(Too much, that magic bus)*
But can I buy your magic bus *(Too much, that magic bus)*
I don't care how much I pay *(Too much, that magic bus)*
Gonna ride that bus to my baby some day *(Too much, that magic bus)*

[guitar intro for Who Do You Love]

I walked 47 miles of barbed wire, used a cobra-snake for a necktie,
I got a brand new house out by the roadside made outa rattlesnake hide
It's got a brand new chimney right on top, made out of a human skull
Come and take a little walk with me and tell me who do you love?

Who do you love? [x4]

Got a tombstone hand and a graveyard mine,
I'm a Canettes man and I don't mind dying.

Who do you love? [x4]

[harp solo, then guitar intro to Who Do You Love]

The night was black, but the sky was blue,
Out of the alley, the ice-wagon flew,
I heard a bump, and somebody screamed,
You should have heard what I just seen.

Who do you love? [x4]

[more harp, then back to Magic Bus]

Well now I got my magic bus *(Too much, that magic bus)*
Well now I got my magic bus *(Too much, that magic bus)*
Gonna drive that bus to my baby each day *(Too much, that magic bus)*
Each time I go a different way *(Too much, that magic bus)*

Gonna ride her *(ride her)* [x2 or 3]
Well now I got my magic bus *(Hey Bo Diddley)* [x2 or 3]

[4 bars on guitar and then out clean]
